NARRATIVE:

Stanley Bauer is a documented gang member and has an extensive adult criminal history that began at the age of 20. His convictions include theft of personal property, failure to appear, petty theft with prior convictions, burglary, possession of narcotic controlled substances, grand theft auto, violation of parole, robbery, vehicle theft, possession of controlled substances, receiving stolen property, carrying a concealed dirk or dagger, and possession of burglary tools. He has served multiple state prison terms, the longest being a 3 year term for robbery. Bauer was released from state prison to the supervision of the Los Angeles County Probation Department on July 10, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Bauer qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
